What Is Mentality: Eight Innate Groups Of People

July 6, 2020

What is mentality in brief? We noticed that all people belong to eight innate groups. Why? Because they have different stable life views that form the features of their mentality. These groups were found by Worldtypology.com authors on practice. Each person belongs to only one group for a lifetime. All these innate groups of people have completely different constant life preferences, which are shown below.

8 innate groups of people were discovered by us using typological method. Such method was built with a help of counting and preliminary analysis of facts taken from the environment of different world countries. Facts include architecture, historical facts and events, rules and mentality of nations, expressed in their massive behaviour and cultural thinking. These facts were compared by logical analysis with such theoretical phenomena as ITT (innate type of thinking), temperament and category.

What Is Mentality And Why It Is Different

Mentality is such phenomenon that is dictated by different innate preferences of people. These precise preferences are important for all groups of people and ignoring them or their absence brings such people moral discomfort or causes aggression. Therefore, such innate groups are stable and their stable preferences are the main factors that influence the mentality, environment and rules of each country and region. Here is the list of innate groups and their needs and preferences:

№1. Patron

(principles + straightness + no generosity)

Shrewd and calculating people. Each Patron sometimes can be kind person and respectful to some people. But, at the same time, they are very demanding people, who may have a lot of pretensions to other.

The characteristic and life preferences of each Patron that form their mentality:

- individual mental development (reading books, development of libraries, science, discipline)
- job contract and prestigious salary
- equality and a freedom of word in politics
- fairness and responsibility in the work
- prestigious views of the streets and cities
- visa-free regime between different countries in order to work and do a business trip
- respect for nature, the presence of parks
- free higher education
- availability of theatres and cabaret
- the presence of street lights, fountains and chapel
- their city architecture resembles hotels in a Rococo style. Also Patrons prefer Chalet, French style, Cubism, International style, Palladian, Gothic, Manueline, Zonder gothic, Modern style of architecture, Mannerism, Futurist
- quality work of police

- Patron needs a total control over alcohol consumption and drugs, even low alcohol drinks
- prefers payment cards, online payment and electronic legal contracts

№2. Virtue

(no principles + no straightness + generosity)

Affability is their need and obligation. Collective work is a pleasure for them and doing some good is a habit. These people are ready to support all other people inside of their country without any compensation. This is due to the fact, that they don’t have any innate needs in living a luxurious life. That is why, you may

notice, that they are simple people, who don't need a lot of wealth. They realize only the profit of living in united and wealthy country.

Virtue are the typical patriots, who create and preserve their own deep native culture and traditions. They respect the borders. A habit of doing good for people and animals is caused by the call of their soul and innate mentality.

Here is the list of their innate life preferences:

- they need a vegetable garden in order to grow their own plants and birds
- care for animals, availability of territory for animals and zoos
- the fences around the houses are prohibited and prohibition of buying a land for a private property, especially around forests, lakes, meadows and natural spots
- affability as a duty

- Virtue group prefers such architectural styles: Minimalist, Spanish, Italian, Chateau, Pombaline, Roman architecture, City-garden, Ethnic, Queenslander architecture, European, Japanese, Resort architecture
- prefers cash and barter as a payment

№3. Pharaoh

(principles + straightness + generosity)

Aesthete and prestigious person who loves life. Unlike Patrons, people like Pharaohs always try to find their place in the world. They care much about what everyone thinks about them. That is why, they always think about their own reputation and appearance. Therefore, Pharaohs try to wear some nice clothes and look after themselves. In fact, these people have innate need for prestige, nice car, boat or yacht, house or mansion etc. And additionally, they have a well developed desire in looking for external variety of hobbies and interests.

To illustrate, each Pharaoh has a character of a monarch or sovereign who is responsible for people inside of his or her house. Unlike Patrons and Virtue, they don't take much part in charity. Moreover, they don't know whom to trust exactly.

But despite such image, here are the main innate life preferences of each Pharaoh:

- no fences around the houses and mansions
- free wide, smooth and straight roads
- developed tourism and technology
- systematic renovation of an architecture and great variety of building materials

- legalization of marijuana
- prefers such styles in architecture: Victorian architecture, Tudor architecture, Empire, Cape Cod, Neocolonial, Colonial architecture,

Biedermeier, Country, Barnhouse, Loft, Art Nouveau, Neoclassical architecture
- prefers payment cards, online payment and electronic legal contracts

№4. Ethnos

(no principles + straightness + generosity)

The behavior of Ethnos can be rude to some people sometimes. Then it may change later to kindness. Also, such people have a willing to live a luxurious life. For example, some representatives of this group can be even more rich in reality than Pharaoh. Again, the abundance of expensive food, clothes, premium class car and a big house are not modest things. But each Ethnos wants to own them and change it often if possible. Moreover, they take all these things and try to combine them with patriotic style and traditions. As a result, each Ethnos pretends to be a simple person, but living a wealthy life.

Here is a list of their life preferences that form their mentality:

- free public transportation and developed roads
- availability of car parking on the streets
- a great variety of clothes on a marketplace

- Ethnos need a total control over selling and consumption of marijuana, alcohol and other drugs
- prefers cash and barter as a payment

№5. Pilgrim

(no principles + straightness + no generosity)

Each Pilgrim seeks for their life goals during the whole life. What is their mentality? They can't imagine themselves without travelling. In general, they try to be private and serious, because they don't trust any strangers. Pilgrim is a person who tries to find a harmony inside. The joy of their life begins only when they get expensive things and wealth. In this case this joy comes not only with a fact of obtaining such things. Especially it comes with a fact that their social status becomes high and respectful.

Pilgrims can act like fanatics in their life beliefs and views. By all means, they are the great competitors to others. To demonstrate, a place of living of each Pilgrim looks almost the same as Pharaoh's in terms of style. But they have some differences in details.

Here is a list of innate life preferences of Pilgrim:

- developed intermediary businesses
- saving the the authority and their leadership positions, silent dictatorship

№6. Marxist

(principles + no straightness + generosity)

Marxists are patriotic tuned people and keepers of their own religion and culture. On the other hand, such people always look after themselves and their appearance. However, the Marxists are more open-minded people to fellow citizens than Pilgrim. But unlike them, such people are very dependent on their ruler or politicians. Of course, as you may guess, that all the Marxists prefer state monopoly on everything they have inside of their country. But if you try to play with their boundaries, be ready for a strong military answer. That is also their mentality.

Marxists are the opponents of tourism in their counry due to mistrust in strangers. Therefore, each Marxist usually is less hospitable person than other people from other groups. Moreover, their religion and spirituality is much popular and spreading faster in number of believers.

Here is a list of Marxist's life preferences:

- growth in the number of factories
- the protection of historical monuments and sacred sites
- they need show and plays, circus and concerts
- availability and great variety of quality cosmetics
- free historical museums
- keeping the streets clean, as well as keeping clean their clothes and appearance
- they like gazebos

№7. Cognitive

(no principles + no straightness + no generosity)

Such people like to cognize themselves, their own health and other people. Moreover, this cognition usually is very narrow and has a character of an experiment. Therefore, they are not interested much in other things in their life. Because they are interested in their health, they usually tend to trust various doctors and even unfamiliar people. Cognitives do not understand themselves fully and that is why they are very dependent on their boss and authorities.

Such people can work a lot only when their boss asks them to do that. To illustrate their home image, the majority of Cognitives are usually careless about their things and clothes. This is because they cannot separate the necessary from the absurd. That means, that they don't have any innate need in everything material. But despite this, such people, for some reason, try to buy very expensive food, the latest design clothes and other things.

Here is their preferences:

- free consultation
- visits to forests and mountains
- concerts or performance with body movements
- availability of great variety of souveniers, key chains and fantasy toys at the supermarket
- presence of media and news everywhere
- availability of waste processing plants
- available self-service such as: public laundry, ATM, public kitchen, terminals, dormitory, garbage bins and sorting stations
- presence of different signboards across the city where you can read about the rules of behavior and clues how to comply with the rules
- they need modern quality prestigious sanatoriums. These sanatoriums should be free to visit for people who deserve it
- development of medicines market
- legalization of non-treatment services that have medical character and non-treatment medicines

- they like high-rise apartment buildings. Cognitives prefer such styles in architecture: English, Georgia state, Romanesque, Brutalism, Metabolism, Eastern, Bauhaus, Fusion, Elizabethan architecture, Eclecticism
- prefer payment cards, online payment and electronic legal contracts

№8. Toastmaster

(principles + no straightness + no generosity)

They are for sure the people of a family type, who also like to be social. That's their true mentality. But at the same time, they cannot imagine their life without a holiday or a party. That's why they are always open-minded and sociable. But sometimes Toastmasters have a desire to argue with somebody. Of course, they are the patriots and they listen to their nation and try to connect people. On the other hand, this is the most caring group of people to their own children.

Each Toastmaster can travel with his family and nation to another lands or live on their own land for a long period of time. Moreover, they are not picky. This is because they don't care about their own appearance, clothes, quality food and wealth. That to say, as all people they would not mind to get a high paid job only so that their family will have all necessary things and prospective to grow on a social ladder.

Here is a list of their innate life preferences:

- presence of various holidays, carnivals and celebrations
- absence of the politicians on national meetings and during performing rites
- free and accessible sports grounds and movie theatres
- availability of quality maternity hospitals
- prohibition of abortion
- philosophy, science about religion and astrology
- presence of kindergardens
- strict rules of hierarchy in family and dynasty
